I never had the pleasure to meet Linda, but she MUST have been a special lady to earn the love and respect of Bro. Butch and his family. My sister, Kelly, loved having her as mother-in-law and she was a well-loved grandmother to my nephews. May God bless you all during this time of pain and rejoice in knowing that she is at peace with the Lord and one day we will see her in glory! John 14:27

We look forward to the time we will be united with our loved ones again. The Bible tell us at John 5:28-29, that this could be possible. It read as following: (28) Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice (29) and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.

Please know you are in our thoughts and prayers. She will be missed by so many people, but we also know she is having a gigantic reunion in heaven.

When we were on a cruise, Linda said, "Barb, I believe that God gives some people ideas and some the ability to carry them out." Which of those has He given you," I asked. She smiled that sweet, sweet smile and said, "Well ideas, of course". My life has been made richer, because Linda walked through it. Treasure the memories.
