Drotha Miller

JUN 9, 1920 - NOV 21, 2013

Ramon & Sandra Valencia posted:

Both my wife and I fully understand the sense of loss following the passing of a mother. There will always be times when a teardrop or two will sneak onto your cheek as a thought of how much you miss her flits through your mind. With time, though, thoughts of all the smiles and happiness she gave will ease your grief. Memories are truly a healing tonic. We send you our most sincere prayers and condolences in this difficult time.
