Hello Lynn's family, My heartfelt condolences and prayers go out to you. I worked with Lynn at LN, from 2004 to 2008. He was a wonderful person to work with, very helpful, kind, cheerful and very smart at his job. I just found out yesterday that he is no more. I find it hard to believe, and I cannot imagine the pain and sorrow that you must be going through. We will always remember him. Take care.-Pratima

I was deeply saddened to hear of Lynn's passing. I remember him as a slightly goofy but always kind teenager from high school with a gift for anything computer related. I am glad to hear that he had a strong faith and that he shared it with his family. I hope that you are comforted by the thought that you will see him again one day!

I am saddened and grieved by the loss of a high school friend and the loss experienced by his family. Lynn was a brother in Christ and he encouraged many during our high school years in Fort Wayne by his faith. However, I now rejoice in the sovereignty of God and the peace that comes from knowing that all things work for his glory (Romans 8:28.) I have no doubt about Lynn's faith and where he is now. May you also have comfort in this. Lori, Logan, Lance, LeAnna, and Lexi: I will continue to lift you all in prayer as you move through this very difficult period.

I worked with Lynn since 1995 at LexisNexis. Lynn was a wonderful person and was truly one that exemplified all that is good in people and his obvious love for his family and God were wonderful. My condolences to the family on their loss. I considered Lynn a friend and he will be sorely missed. God Bless.

Lori and Family, We are sorry for your loss. Kids, your father was a great man who loved you and our God. His steadfastness and good nature is one thing I remember of him and wish for you. Lynn, I hope you call me a friend. You had a gentleness that only I hope to have some day. How could you ski down a hill listening to Sandy Patti, please! Yes, I look forward to seeing you again where you can help me finish learning this trait. See you soon. Rich Swortzel
