Dear Traylor family, Elmer and I wish to express our sympathy in the passing of Iris. When I read in the newspaper about her passing, it brought back great memories of Hope Church and all the many friends that we made there. I will send the obituary to Stan and Avice Morgan who are wintering in Florida. God Bless you all. Elmer and Joanna Fowler

Pat, my heart goes out to you in this time of loss of your mom. Having lost my own mother to Lou Gehrig's disease in April 2010, I understand the rawness of emotions you and your family must be experiencing just now. I have fond memories of your parents opening their home to all of us kids in the youth group from Hope. We had young puppy love then, and a life time in between, but I still felt a sadness for you when Karen emailed me of the news. Take care of yourself and accept my sincere sympathy. Linda
